Dear Clerk Brown,

As the summer months pass all too quickly, it becomes time to make endorsements for candidates in the February 2010 Primary Election.

For President of the Cook County Board of Commissioners, we are happy to endorse your candidacy.

As the Clerk of the Circuit Court, you have proven that you are a good administrator. We especially like the fact that you have substantially cut costs in your office while increasing the use of technology. We are sure that as County Board President you will be able to have the same effect on all the county offices that will be under your jurisdiction.

We will be on call if you need any assistance in your campaign effort. If you need any help, please call us at the numbers listed below. We would be proud to help bring your leadership to the helm of Cook County. The entire Haitian community in Cook County is behind you.

Please call on us to help in the upcoming months.

Sincerely,

Rev. Jean André Gérard Bingué
Executive Director
